Dear Hunter Ng,

Congratulations! We received a record number of submissions for the 2026 Midwest Econometrics Group (MEG) Annual Meeting, and we are pleased to accept your paper, "Vine Copula VAR" (Submission ID 18), for presentation.

To confirm your participation, please register for the conference and book your hotel room through the conference website no later than Thursday, August 27:

<https://www.business.uc.edu/faculty-research/economics/research/meg-2026.html>

If your plans change and you are no longer able to attend, please let us know as soon as possible by emailing us at saannidhya.rawat@marquette.edu.

To be fair to authors on the standby list, accepted papers whose presenters have not registered by August 27 will be replaced by standby papers.

Additional instructions and program details will follow soon.

We look forward to welcoming you to Cincinnati!
